SECTION 1. Permission and authority are hereby given and granted for a temporary easement to American National Bank and Trust Company, Trustee under Trust No. 28443 upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed, an elevated walkway, used for pedestrian passage. Said elevated walkway is seventy-five (75) feet in length and fourteen (14) feet in width on the north side of E. Grand Avenue. The elevated walkway begins on the northwest corner of E. Grand Avenue and N. Michigan Avenue, and proceeding in a westerly direction for a distance of seventy-five (75) feet along the said northerly side of E. Grand Avenue, used in connection with the premises commonly known as No. 540 N. Michigan Avenue Building; for a period of five (5) years from and after December 5, 1978.

The location of said elevated walkway shall be as shown on print hereto attached, which by reference is made part of this ordinance. Said elevated walkway shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation and the Commissioner of Buildings. The grantee shall keep that portion of the public way under said elevated walkway in good condition and repair, safe for public travel, free from snow, ice and debris, to the satisfaction of the Commissioner of Streets and Sanitation. The grantee agrees to furnish the City of Chicago a surety bond in the sum of $10,000.00, said bond to be used to defray cost of removal of said structures and appliances at any time the City of Chicago determines the need for removal or to be used for any liability suits, judgments, damages or any costs resulting prior to or after expiration of the authority herein granted.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of Two Hundred Thirty-one and no/100 Dollars ($231.00) per annum, in advance, the first payment to be due as of December 5, 1978, and each succeeding payment on the same day and month annually thereafter. Further, renewal authority for the continued maintenance and use of the public ways as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor and the City Comptroller in their discretion, at any time without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance to the City Municipal Code. The

Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration, and his decision as to the amount shall be final and binding. Said insurance coverage and Bond shall be continuing in effect until the structures or appliances herein authorized are removed and the public way is restored as herein required.

SECTION 6. The surety, as to the extent of its penal bond as provided in Section 1, and the grantee will further be liable to the City of Chicago for the annual compensation for the use of the public way.

WHEREAS, It is for the best interest of the City that Section 7-95 of the Municipal Code of Chicago be amended as set forth herein; now, therefore,

Authority Granted for Issuance of $150,000,000 Mortgage Participation Revenue Bonds.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith (referred to the committee on January 19, 1979).

WHEREAS, The City of Chicago, Cook County, Illinois (the "City") has pursuant to its home rule powers granted under the 1970 Constitution of the State of Illinois duly adopted Sections 7-85 to 7-98, inclusive, of the Municipal Code of Chicago, as amended (the "Act") (1) to provide for and promote the public health, safety and welfare; (2) to relieve conditions of unemployment and encourage the increase of industry and commercial activities and economic development of the municipality, so as to reduce the evils attendant upon unemployment; (3) to provide for efficient and well-planned urban growth and development including the elimination and prevention of slum areas and urban blight, and the proper coordination of industrial facilities with public services, mass transportation facilities, and residential development; (4) to assist low and moderate income persons in acquiring and owning decent, safe and sanitary housing which they can afford; (5) to promote the integration of families of varying economic means; and (6) to preserve and increase the municipality's ad valorem tax base; and

WHEREAS, The City has determined that, under existing economic conditions affecting the cost and availability of funds for the financing of home ownership in the City and the relative cost of such ownership, it is desirable to supplement the funds presently available to the private sector for the purpose of financing home mortgages (as defined in the Act); and

WHEREAS, The City has consulted with members of the residential mortgage lending industry and others, and has determined that it is desirable to provide such supplemental funds for the purpose of financing home mortgages through (i) the establishment of a Multi-Lender Mortgage Participation Program (the "Program"), (ii) the sale and issuance of its revenue bonds and (iii) the application of the proceeds of such sale to the purchase of participations in home mortgages to be originated and serviced in accordance with the Program by various lending institutions (as defined in the Act); and

WHEREAS, The City has determined that certain lending institutions which maintain an office and originate and service home mortgages in the City have demonstrated ability to originate and service home mortgages in accordance with recognized governmental and insurance industry standards ("Qualified Lenders" as hereinafter defined) and has afforded such Qualified Lenders the opportunity to originate, service and participate in the ownership of home mortgages under the Program; and

WHEREAS, The City received offers from various Qualified Lenders to participate in the Program and wishes to enter into agreements with those Qualified Lenders listed in Exhibit 1 attached hereto, thereby obligating each of such Qualified Lenders to originate, service and participate in the ownership of home mortgages under the Program, the respective amounts allocated to each Qualified Lender to be determined by the City in accordance with the allocation formula set forth in this ordinance; and

WHEREAS, The City has determined that it is desirable to (i) limit the number of home mortgages originated under the Program for the purpose of financing purchases of homes at any single location in order to enhance the marketability of the revenue bonds by limiting the concentration of home mortgages at any one location and (ii) limit the number of home mortgages originated under the Program for the purpose of financing purchases of condominiums being converted from rental units to assure that the Program will have no significant effect upon existing economic conditions affecting the conversion of rental units to condominums in the City; and

WHEREAS, Pursuant to and in accordance with the provisions of the Act, the City is now prepared to proceed with establishing the Program and financing the origination of such home mortgages and to issue and sell not to exceed $150,000,000 in principal amount of its Mortgage Participation Revenue Bonds, Issue A (the "Bonds"), such Bonds to be secured by the Indenture (hereinafter defined) and, except to the extent payable from Bond proceeds, certain insurance proceeds or moneys from the investment thereof, to be payable solely from the revenues and receipts and other amounts received by the City pursuant to the Mortgage Origination and Servicing Agreements (hereinafter defined) and the Indenture; and

WHEREAS, The City has determined to employ a financial institution to administer the servicing of the home mortgages under the Program pursuant to the Administration Agreement (hereinafter defined); and

WHEREAS, Goldman, Sachs & Co., Salomon Brothers and E. F. Hutton & Company Inc., as representatives of a group of underwriters have submitted to the City a form of Bond Purchase Agreement (hereinafter defined) setting forth their proposal to purchase the Bonds; and

in the meaning of any constitutional or statutory provision of the State of Illinois. The nature of the obligation represented by the Bonds is as more fully set forth in the Indenture.

SECTION 5. The Bonds shall be executed on behalf of the City in the manner provided in the Indenture. If any of the officers who shall have signed or sealed any of the Bonds shall cease to be such officers of the City before the Bonds so signed and sealed shall have been actually authenticated by the Custodial Trustee or delivered by the City, the Bonds nevertheless may be authenticated, issued and delivered with the same force and effect as though the person or persons who signed or sealed the Bonds had not ceased to be such officer or officers of the City; and also the Bonds may be signed and sealed on behalf of the City by those persons who, at the actual date of the execution of the Bonds, shall be the proper officers of the City, although at the nominal date of the Bonds any such person shall not have been such officers of the City.

SECTION 6. The Indenture and the Administration Agreement in substantially the forms attached hereto as Exhibit 2 and Appendix B thereto, respectively, are hereby approved and the Mayor or the Comptroller of the City is hereby authorized on behalf of the City to execute, acknowledge and deliver the Indenture and the Administration Agreement, attested by the City Clerk, with such changes therein as shall be approved by such persons executing such document, their execution to constitute conclusive evidence of such approval, and the City Clerk is hereby authorized to affix to the Indenture and the Administration Agreement, the corporate seal of the City.

SECTION 7. The Mortgage Origination and Servicing Agreements in substantially the form attached as Exhibit A to the Indenture are hereby approved and the Mayor or Comptroller of the City is hereby authorized on behalf of the City to execute and deliver the Mortgage Origination and Servicing Agreements, subject to the provisions of Section 8 of this ordinance, with such changes therein as shall be approved by such person executing such document, his execution to constitute conclusive evidence of such approval; provided, however, that the Servicing Fee provided for therein shall not exceed an amount equal to a monthly fee of 1/12 of 3/8 of 1% of the unpaid balance on each Mortgage Loan as of the day preceding the last day on which a scheduled payment of principal was paid; and, provided further, the origination fee to be charged and retained by the Participant in connection with each Mortgage Loan pursuant to the Mortgage Origination and Servicing Agreement shall not exceed 2.4% of the principal amount of the Mortgage Loan (.9% of such principal amount shall constitute a partial recovery of a commitment fee previously delivered by the Participant); and, provided further, the interest rate to be charged by the Participant on the undivided interest in the Mortgage Loan owned by the Participant shall be determined by the Comptroller of the City but shall not be less than 9¾% and shall not exceed 10½% per annum. Not more than 15% of Available Proceeds (as defined in Section 8 hereof) shall be used for the purchase of Mortgage Loan Participations with respect to condominiums being converted from rental units; and the interest rate on the Mortgage Loan Participations shall be determined by the Comptroller of the City subject to Section 7-87(b) (3) of the Act but shall not exceed 9% per annum. Not more than 1% of Available Proceeds shall be used to purchase Mortgage Loan Participations with respect to homes in any single building. No Mortgage Loan shall be made to any Borrower (as defined in the Mortgage Origination and Servicing Agreements) whose Family Income (as defined in the Mortgage Origination and Servicing Agreements) exceeds $40,000 and no more than 15% of the aggregate principal amount of the Mortgage Loans shall be made to Borrowers whose Family Income exceeds $29,500. The Participants shall undertake to accept and process applications for Mortgage Loans on a non-discriminatory, "first-come, first-served" basis; provided, however, that the acceptance and processing of Mortgage Loans on a "first-come, first-served" basis shall be subject to any restrictions and limitations contained in the Mortgage Origination and Servicing Agreements with respect to (i) the financing of multi-family units or (ii) Mortgage Loans to Borrowers whose Family Income exceeds $29,500 or (iii) any other restrictions on the use of Available Proceeds.

SECTION 8. The proceeds from the sale of the Bonds available for the purchase of Mortgage Loan Participations ("Available Proceeds") shall be allocated among the Participants in accordance with the following procedure:

1. Each Applicant shall have submitted an application requesting the amount of Available Proceeds ("Requested Amount") such Applicant wishes to use to originate Mortgage Loans (which amount shall not be less than $500,000).

2. Each Applicant shall be assigned a guaranteed percentage ("Guaranteed Percentage") calculated in three steps, as follows:

(a) Divide the number of conventional, single family (one to four unit) residential mortgage loans secured by property located within the City (except any loans made pursuant to any program established heretofore pursuant to the Act) originated and being serviced by such Applicant during its most recent fiscal year ("City Loans") by the total of all conventional, single-family (one to four unit) residential mortgage loans secured by property located anywhere originated and being serviced by such Applicant during its most recent fiscal year, to produce a percentage adjustment factor;

(b) Multiply the Applicant's number of City Loans by the percentage adjustment factor, as calculated under (a), above, to produce an adjusted number of City Loans ("Adjusted City Loans");

(c) Divide the Applicant's Adjusted City Loans by the total Adjusted City Loans for all Applicants, to produce the Applicant's Guaranteed Percentage; provided, however, that no Guaranteed Percentage shall be less than that percentage which when multiplied by Available Proceeds equals $500,000; and

(d) To the extent that an Applicant's Guaranteed Percentage is increased to the minimum under subsection 2(c) above, the other Applicants shall have their Guaranteed Percentages reduced in proportion to their respective Guaranteed Percentages to the extent necessary to make the sum of the Guaranteed Percentages of all Applicants equal to 100%.

3. Each Applicant shall be initially allocated an amount of the Available Proceeds equal to the lesser of (a) his Requested Amount or (b) a percentage of the Available Proceeds equal to his Guaranteed Percentage; provided, however, that if Available Proceeds are not sufficient to complete such initial allocation, all Applicants whose initial allocations were determined under clause (b) of this paragraph shall have their initial allocations reduced in proportion to their respective Guaranteed Percentages to the extent necessary to make the initial allocations, when completed, equal to the Available Proceeds; and, further, provided, that any Available Proceeds remaining unallocated after the initial allocation shall be reallocated pursuant to paragraph 4, below.

4. Any Available Proceeds remaining after the initial allocation under paragraph 3 above, shall be allocated and, if necessary, reallocated among those Applicants whose initial allocations under paragraph 3, above, were less than their respec-

tive Requested Amounts, in proportion to their respective Guaranteed Percentages; provided, however, that an Applicant's total allocation shall not exceed his Requested Amount.

5. Any Available Proceeds remaining unallocated after the allocation pursuant to paragraph 4, above, shall be allocated among any Applicants who shall then apply therefor in proportion to the respective Guaranteed Percentages of such Applicants.

6. Notwithstanding any other provision of this Section 8, no Applicant shall be entitled to an allocation greater than (a) 50% of the dollar value of all City Loans, as determined under paragraph 2(a), above, made by such Applicant in its most recent fiscal year or (b) $500,000, whichever is greater.

SECTION 9. The Bond Purchase Agreement in substantially the form attached hereto as Exhibit 3, is hereby approved and the Mayor or Comptroller of the City is hereby authorized to execute and deliver the Bond Purchase Agreement on behalf of the City with such changes and completions therein with respect to the representatives of the underwriters named therein, interest rates, redemption provisions and the sale price of the Bonds (subject to the limitations set forth in Section 3 hereof) and such other changes as shall be approved by such person executing the document, his execution to constitute evidence of such approval, and the sale of the Bonds pursuant to the Bond Purchase Agreement is hereby authorized. Notwithstanding the authority herein granted to the Mayor and the Comptroller, such authorized officials may in their absolute discretion determine not to execute and deliver any Bond Purchase Agreement even though the same shall comply with this ordinance and the Act, in which event the City shall have no obligation whatsoever with respect thereto.

SECTION 10. The Mayor or the Comptroller is hereby authorized to prepare, execute and deliver an Official Statement for and on behalf of the City substantially in the form attached as Exhibit B to the Bond Purchase Agreement.

SECTION 11. The authorized officials of the City are hereby empowered to execute and deliver the Bonds and all documents and other instruments which may be required under the terms of the Bond Purchase Agreement, the Indenture, the Mortgage Origination and Servicing Agreements, the Administration Agreement and this ordinance. For purposes of this section "authorized officials of the City" shall mean the Mayor or Comptroller and the City Clerk.

SECTION 12. The Mortgage Origination and Servicing Agreements shall contain the substance of the following clause:

The Participant will not arbitrarily reject mortgage loans for residential properties within a specific geographic area in Chicago because of the location and/or age of the property, or, in the case of a proposed borrower, arbitrarily vary the terms of those loans or the application procedures for those loans because of race, color, religion, national origin, age, sex or marital status. In addition, the Participant will make loans available on low and moderate income residential property in the neighborhoods of the City of Chicago within the limits of its legal restrictions and prudent financial practices.

The Participants shall report to the City Council at such times as the City may reasonably request the following information:

(1) Number and amount of mortgages by census tract and/or zip code;

(2) The adjusted gross income of all mortgagors for the previous year; and

(3) Such other information as the City may reasonably request.

SECTION 13. This ordinance shall become effective immediately upon its adoption and approval.

Upon receipt by the Bank and the Issuer of at least thirty days' prior written notice specifying a date for the redemption of the principal of the Bonds, the Bank shall, to the extent that amounts are or become available therefor in the Bond Fund, redeem Bonds in accordance with the preceding paragraph. All Bonds designated for prior redemption will cease to bear interest on the specified redemption date, provided funds for their prepayment are on deposit at The Mid-City National Bank of Chicago on such date.

The Bonds are subject to mandatory redemption, in whole, within five days after either (i) the withdrawal or other removal of all or substantially all of any of the corporate checking accounts of the Company from The Mid-City National Bank of Chicago, or (ii) consummation of a consolidation, merger, or sale of assets of the Company described in and permitted by Section 5.2 of the Agreement, but without first obtaining the written consent of the Bank to same, as provided in Section 5.2 of the Agreement. The redemption price applicable to mandatory redemption upon such withdrawal or removal of corporate checking accounts, or upon such merger, consolidation or sale of assets without having requested the permission of the Bank, shall be the redemption price applicable to the last preceding optional redemption date (or for the first possible redemption date if mandatory redemption occurs prior to January 1, 1984) as set forth in the paragraph above, plus accrued interest to the redemption date. The Company, or the Bank on behalf of the Company, shall then notify the Issuer of such redemption of the Bonds.

The Bonds may be prepared in typewritten, printed or engraved form.

The principal of, premium, if any, and interest on the Bonds shall be payable to The Mid-City National Bank of Chicago or its assigns in lawful money of the United States of America at the principal office of The Mid-City National Bank of Chicago in the City of Chicago, Illinois. The Bank shall note on the Payment Record attached as Schedule A to the Bonds the date and amount of payment of each installment of interest then being paid and of interest theretofore paid and not yet noted thereon and, upon request of the Company or the Issuer, the Bonds shall be made available by the holder for inspection by the Company or the Issuer at the principal office of the Bank in Chicago, Illinois. Upon payment at maturity, or upon redemption, the Bank shall notify the Issuer of such payment or redemption, and shall include in such notification a statement of the unpaid balance of the Bonds.

The Bonds, together with interest thereon, shall be limited obligations of the Issuer secured by the Agreement and a mortgage on and security interest in the Project in favor of the Bank, and payable solely from the revenues and receipts derived from the Agreement and the Note authorized to be issued thereunder (except to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof), and shall be a valid claim of the owner thereof only against the Bond Fund and other moneys held by the Bank and the revenues and receipts derived from the Agreement and the Note, which revenues and receipts shall be used for no other purpose than to pay the principal of premium, if any, and interest on the Bonds, except as may be expressly authorized otherwise in this Ordinance and in the Agreement. The Bonds and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provisions of the State of Illinois, but shall be secured as aforesaid, and are payable solely from the revenues and receipts from the Agreement and the Note.

In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute a new Bond of like date, tenor, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Issuer, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, together with indemnity satisfactory to the Issuer. The Issuer shall duplicate on the Payment Record of the new Bond replacing any mutilated, lost, stolen or destroyed Bond all payments of interest which the Issuer's records indicate as having appeared on the mutilated, lost, stolen, or destroyed Bond. In the event any such Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof. The Issuer may charge the holder or owner of such Bond with reasonable fees and expenses in this connection.

SECTION 7. The Bonds and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations secured by a mortgage and payable by the Issuer solely and only out of the revenues and receipts derived from the Agreement and the Note as provided herein.

There is hereby created by the Issuer and ordered established with the Bank, as depositary, a special fund to be designated "City of Chicago, Illinois, Bond Fund (Flexi-Mat Corporation Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal of, premium, if any, and the interest on the Bonds or to redeem the Bonds.

The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall fully cooperate with the Bank and any other owner of the Bonds to the end of fully protecting the rights and security of the Bank and any other bondholders. Any amounts remaining in the Bond Fund, after payment in full of the principal of, premium, if any, and interest on the Bonds (or provision for payment thereof as provided in this Ordinance) and the charges and expenses of the Bank, shall be paid to the Company, as provided herein and in Section 9.5 of the Agreement.

Assignment and Mortgage

As and when any amount invested pursuant to this Section may be needed for disbursement, the Authorized Company Representative may direct the Bank to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

Nays—None.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Sections 181-1, 181-2, 181-2.1, 181-3, 181-6, 181-7, 181-7.1 and 181-10 of Chapter 181 of the Municipal Code of the City of Chicago are amended, such sections to read as follows, the added language appearing in Italics and the deleted language appearing within brackets:

181-1. It shall be unlawful for any individual to act as a funeral director, or assistant funeral director, or to move the dead body of any human being, or any part of such body from any hospital or institution, or from place to place within the city or from the city, or to cremate or deposit any human body in any vault within the city, or to inter or disinter, or in any manner dispose of, any dead human body or part thereof, or to prepare a dead body for burial or cremation, or to manage a funeral, or to conduct, manage, or be in charge of a funeral director's establishment or in any way to advertise or hold himself out to the public as a funeral director by card, sign, solicitation, or otherwise, without first obtaining a license as a funeral director or assistant funeral director from the [Department of Revenue] *City Clerk.*

In conducting any business under a license herein provided for, no licensee shall use, or join in using, as part of or in connection with the name under which said business is conducted, the name of any person who is not both licensed hereunder and actually engaged in said business; provided, however, that any person who on July 1, 1935 was engaged in the practice of funeral directing as defined in an act of the General Assembly of the State of Illinois entitled "An Act in relation to the regulation of persons engaged in the practice of funeral directing and embalming, and to repeal an Act therein named," filed July 8, 1935, as an owner, member or employee of a corporation, partnership or association so engaged, shall be permitted to continue to engage in the practice of funeral directing, as so defined, and to advertise publicly as being so engaged, if the said owner, member or employee shall have complied with all other provisions of this chapter.

181-2. Application for a license under this chapter shall be made to the Department of [Revenue] *Health and the fees paid to the Department of Revenue.* The applicant shall state his name and residence address, that a certificate of registration as a funeral director has been issued to him by the State of Illinois and the number of his state registration certificate, and the location of the establishment where he intends to engage in the business of funeral directing.

181-2.1. Every such applicant shall also furnish to the Department of [Revenue] *Health* evidence that he has successfully completed a course of instruction in a professional school or college teaching the practice of funeral directing, which is recognized and approved by the Illinois Department of Registration and Education; that he has knowledge of, and is familiar with, the state laws, the provisions of this code, and the rules and regulations of the Department of Health governing and concerning the removal, preparation and burial or cremation of the dead; and that such applicant has a practical knowledge of approved and sanitary methods of caring for dead bodies and preparing the same for burial or cremation, including the disinfection of dead bodies. The Department of [Revenue] *Health* shall give to each applicant not less than three days' notice of the time when the applicant will be required to furnish the said evidence of his qualifications. Each applicant shall further furnish to the department evidence that the applicant maintains a funeral directing establishment in the city, and that he is of good moral character and a fit person to be licensed as a funeral director. No license shall be issued unless the foregoing requirements have been complied with, and the applicant has successfully passed a written examination administered by the Department of Health.

181-3. No morgue or funeral directing establishment shall be conducted or operated on or along any boulevard or mall, or in any block on any street in which one-third of the buildings on both sides of the street in such block are used exclusively for residential purposes, without the written consent of a majority of the property owners according to the frontage on both sides of the boulevard, or street in the block in which it is proposed to conduct or operate such morgue or funeral directing establishment.

Frontage consents, when required under this section, shall be obtained and filed with the Department of [Revenue] *Health* before a license shall be issued to a funeral director for the premises sought to be used by such license.

181-6. No individual other than a licensed funeral director, or authorized assistant, shall be permitted to manage or control any funeral directing establishment, or to prepare dead bodies

for burial or cremation, other than the embalming by a state licensed embalmer, or to manage or conduct funerals in the capacity of a funeral director; provided, that when any individual licensed as a funeral director hereunder shall desire to have any establishment in which he is licensed to conduct or operate a funeral directing establishment, be conducted or operated for him by any agent, assistant, clerk or employee, or if he shall desire to have more than one assistant in charge of, or to conduct funerals from any place in which he is so licensed, he shall be permitted to do so upon making application to the Department of [Revenue] *Health* for that purpose, setting out in such application the name and residence of the person whom he desires to have act for him as aforesaid, and upon his furnishing satisfactory evidence to said department that such person is qualified to act as a funeral director and possesses the same qualifications as are required to be possessed by applicants for a license as a funeral director under this chapter; provided, however, that if such funeral director desires to have more than one person act as such assistant, a separate application shall be filed in like manner for each such assistant.

Upon receipt of such application and successful completion of a written examination administered by the Department of Health and upon payment of a fee of ten dollars to the Department of Revenue, a certificate authorizing the applicant to act as a funeral director's assistant shall be issued. Such certificate shall be valid only at the location described in the application and only valid during the term of the license held by such applicant. A separate fee of ten dollars shall be required for each additional application for a funeral director's assistant where more than one assistant is employed.

Any registered funeral director's assistant whose certificate has expired while he has been engaged (1) in federal service on active duty with the Army of the United States, the United States Navy, the Marine Corps, the Coast Guard, or the State Militia called into the service or training of the United States of America, or (2) in training or education under the supervision of the United States preliminary to induction into the military service, may have his certificate renewed without passing any examination, if within one year after termination of such service, training or education other than by dishonorable discharge, he furnishes the Department of [Revenue] *Health* with an affidavit to the effect that he has been so engaged and that his service, training or education has been so terminated.

181-7. The license certificate obtained under this chapter shall be kept posted, for the period of such license in a conspicuous place of the licensed premises, and if such establishment be in charge or control or under the management of a duly authorized assistant or assistants, in addition thereto there shall also be kept the certificate or certificates of such assistant or assistants during the period for which such certificate or certificates is or are issued, in the same manner as is provided for the posting of the funeral director's license; provided, that if at any time the issuance of any assistant's certificate, said assistant shall cease to be in actual charge of said establishment, or, if any assistant shall cease to be in the active and exclusive employ of such duly licensed funeral director, it shall be the duty of such assistant, or the person holding the license for said establishment, to surrender forthwith and deliver to the Department of Health the certificate and license so issued. No license or certificate shall be allowed to remain posted after the expiration of the period for which such license or certificate was issued.

The [Department of Revenue] *City Clerk* shall cause to be issued, on an annual basis, a license ID card of wallet size which shall contain the name of the licensee, a current photograph [supplied by the licensee], the address of his principal place of business, his Chicago license number and the designation "A" for the funeral director and "B" for the funeral director's assistant. In addition, the "B" designation shall be followed by the name of the funeral director's establishment for whom the funeral director's assistant is employed.

This ID card must be carried on the person of each licensee when in the process of conducting business. If requested to do so, said licensee shall present this ID card to any person or persons involved in making arrangements for the handling, transporting, or burying of dead human remains as well as to those individuals involved in the regulating of the funeral directing industry.

All funeral director and assistant licenses expire on the 31st day of December of the year for which the license was issued. All licenses not renewed by March 1st of the following year can only be renewed on the payment of a reinstatement fee of $25.00 *to the Department of Revenue.*

181-7.1. When a certificate authorizing a person named therein to act as a funeral director, or funeral director's assistant is surrendered to the Department of [Revenue] *Health* for the reason that such person has ceased to be in actual charge of a funeral directing place, or has ceased to be in the active and exclusive employ of the licensed funeral director on whose application said certificate was issued, the person named in such certificate as authorized to act as a funeral director, or funeral director's assistant shall, upon his making the application and paying the fee herein provided for, be entitled to receive a certificate which shall be known as a no-license certificate and which shall entitle him to receive a certificate authorizing him to act as a funeral director's assistant, upon each subsequent application by a person qualified to apply for the certificate under the provisions of Section 181-6 of this Chapter. Upon the making of such last-named application, said no-license certificate shall be sufficient evidence to said Department of [Revenue] *Health* that the person named therein is qualified to receive a certificate authorizing him to act as a funeral director's assistant unless the Department of [Revenue] *Health* shall be in the possession of evidence which affirmatively shows the contrary.

The fee for the issuance of such no-license certificate shall be five dollars, which shall be paid to the Department of Revenue prior to the issuance thereof. Each no-license certificate shall be in force during one year following the date of its issuance and may, upon application to the Department of [Revenue] *Health* be renewed annually upon the payment of one dollar for each such renewal.

181-10. Upon the revocation of any license or assistant's certificate issued pursuant to this Chapter, the licensee, or, in the case of a certificate, the person named in such certificate, shall forthwith surrender and deliver to the Department of [Revenue] *Health* the license certificate or assistant's certificate so revoked. If any person licensed hereunder, or the holder of any assistant's certificate issued hereunder shall neglect, fail, or refuse to surrender and deliver such certificate, the Department of Revenue shall have power, and it shall be its duty, to seize and destroy such revoked certificate.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

Information and Regulations
ChicagoFest '79

The festival will run from August 3 to August 12, with the gates open from noon until midnight every day. Exhibitors are, however, required to have their booths fully operational until the final closing announcements are made each day.

Construction of all booths must be completed by 6:00 P.M., Thursday, August 2, with the exception of signs and other minor decorations. No vehicles will be permitted on the festival grounds from noon until closing.

Ten day passes will be provided for each booth. These will be issued once, on July 13. No other passes will be issued to any Market Place exhibitor for any reason, nor will lost or stolen passes be replaced. All passes must be worn at all times while on the ChicagoFest grounds.

Physical Environment

The Market Place booth spaces will be identical in each; namely a 10′ by 20′ unobstructed area. An outside booth will be 10′ by 10′ unobstructed. An electrical outlet will be provided for each booth. The Building Inspector's office has informed us that service will be disconnected to those exhibitors using adapters which allow several plugs to be plugged into the outlet. That practice is an electrical hazard, and ChicagoFest will assist the Building Inspector's office in vigorously enforcing the regulation.

Each exhibitor must provide all tables, chairs, display counters, etc., for his or her booth. All displays must be free-standing, no attachments of any kind may be made to the Market Place structure.

Security

ChicagoFest will provide 24-hour security for the entire Festival grounds. In addition, two full-time guards will be on duty in the Market Place area overnight, and area will also be checked regularly during the show hours by ChicagoFest security and by members of the Chicago Police Department on their regular rounds. However, ChicagoFest is not liable for any loss that an exhibitor may incur. It is entirely up to the individual exhibitor to determine if all or a portion of his or her stock is left in the booth unattended.

Insurance

Each exhibitor must provide public liability insurance in the minimum amounts as follows: $1,000,000 per occurrence and $100,000 property coverage for product liability. A certificate of insurance, naming the City of Chicago, the Public Building Commission of Chicago, Festivals, Inc. and their officers, employees and agents as additional insureds, and containing a ten-day notice of cancellation requirements. must be on file in the ChicagoFest office by July 18.

Additional Information

Individual advertising for an exhibitor's goods may be distributed only in the exhibitor's booth.

No food preparation, or cooking is allowed on the ChicagoFest grounds.

ChicagoFest reserves the right to search any vehicle entering or leaving the ChicagoFest grounds.

All electrical appliances must have grounded wires or will not be allowed during the festival.

The following is said Agreement attached to the foregoing ordinance.

This Agreement, made and entered into on the date herein below specified, by and between the City of Chicago (the Public Body), and the United States of America (the Government), acting by and through the Secretary of Housing and Urban Development (the Secretary).

Witnesseth: In consideration of the mutual covenants, promises, and representations contained herein, the parties do agree as follows:

Section 1. Purpose of Agreement

The Public Body has responsibility and jurisdiction to carry out all activities under the Community Development and Urban Homesteading Programs. The processing by the Public Body, and submission to the Department of Housing and Urban Development for approval, of rehabilitation loans under Section 312 of the Housing Act of 1964, as amended (Section 312 loans) is presently authorized with respect to one or more of the areas covered by both programs. The purpose of this Agreement is to extend the Public Body authority to approve, in accordance with the regulations, policies, and requirements (hereinafter called regulations) of the Secretary, certain eligible applications for Section 312 loans, subject to verification by the Secretary of fund availability for an approved loan.

Section 2. Applicability of Approval Authority

During the term of this Agreement, the Public Body shall have final authority to approve applications for Section 312 loans with respect to residential and mixed use properties, which will contain one to four dwelling units after rehabilitation, and which are located in areas with respect to which the Public Body has authority to process such loans as described in Section 1 hereof. The Public Body shall exercise such loan approval authority with respect to property in all such areas which come under its jurisdiction during the term of this Agreement. However, no loan approval under authority of this Agreement shall be valid until the Secretary has determined that funds are available therefor, and has notified the Public Body thereof.

Section 3. Notification of Funds Availability

Upon receipt of the documentation required by the Secretary's regulations to be submitted with respect to Section 312 loans approved by a Public Body, the Secretary shall promptly notify the Public Body in writing whether sufficient funds are available for the approved loan.

Section 4. Compliance with Government Regulations

The loan approval authority granted by this Agreement shall be exercised in accordance with the procedures and requirements established by the applicable regulations of the Secretary in effect from time to time.

Section 5. Effect of Failure to Comply

a. Grounds for Termination. Failure of the Public Body to comply with the procedures and requirements of the Secretary with respect to loan approval, or with respect to other aspects of the Section 312 loan program, are grounds for termination of this Agreement at the option of the Secretary. However, such failure shall not create or justify any claim against the Government on the part of any third person, and shall not constitute grounds for any third person to contest the validity of any Section 312 loan approved by the Public Body under authority of this Agreement and during its term.

b. Defend and Hold Harmless. The Public Body will warrant, defend, and hold harmless the Government with respect to all claims and losses caused by its failure to comply with the regulations of the Secretary and the requirements of applicable State and local law in its approval of Section 312 loans under authority of this agreement, and in the subsequent settlement and administration of loans so approved. In the event the Secretary's regulations and the requirements of State and local law are inconsistent, the Public Body shall request advice from the Secretary prior to approval of the Section 312 loan.

Section 6. Restriction on Officials Authorized to Approve Loans

The Public Body shall not initially, or at any time during the term of this Agreement, confer its authority to approve Section 312 loans under this Agreement upon any officer or employee who exercises any duties or responsibilities in the administration of the Public Body's Section 312 Loan Program, including, without limitation:

f. Authorization of signing or signing of Form HUD-6245, Certificate of Final Inspection.

Section 7. Conflict of Interest

a. No official or employee of the Public Body who exercises any function or responsibility with regard to this Agreement shall have any personal interest, direct or indirect, in this Agreement, nor shall any such individual participate in any decision relating to this Agreement which effects his or her personal interests or the interests of any corporation, partnership or association in which he or she is, directly or indirectly, interested.

b. No Member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this Agreement or to any benefit that may arise therefrom, but this provision shall not be construed to extend to this Agreement if made with a corporation for its general benefit.

Section 8. Submission of Documentation

Promptly upon approval of a Section 312 loan by an appropriate official of the Public Body, the Public Body shall assemble and transmit to the Secretary the documentation required to be submitted with respect to a Section 312 loan approved by a Public Body, in accordance with such requirements and regulations of the Secretary as shall be in effect from time to time. The Public Body shall also promptly submit copies as required of any resolutions affecting the identity of Public Body officials authorized to approve Section 312 loans under the Agreement, any notices of the Public Body's determination to cancel this Agreement, and any other required documentation or reports, in accordance with such requirements and regulations.

Section 9. Supervision, Administration, and Inspection

The Public Body shall, at all proper times, provide or cause to be provided competent and adequate architectural, engineering, financial and other technical supervision and inspection of rehabilitation work financed by Section 312 loans approved under this Agreement. The Public Body shall keep full and accurate books and records with respect to Section 312 loans approved under this Agreement, and with respect to its administration of the Section 312 loan program, and shall maintain them in accordance with such requirements and regulations of the Secretary as shall be in effect from time to time. The Public Body will cooperate in any inspection of rehabilitation work financed by Section 312 loans approved under this Agreement, as deemed necessary by the Secretary or the Government.

Section 10. Compliance with Civil Rights Act of 1964

The Public Body will perform its activities under this Agreement in accordance with all requirements imposed by, or pursuant to regulations of the Secretary effectuating, Title VI of the Civil Rights Act of 1964.

Section 11. Cancellation of Approved Loans

The Secretary reserves the right to cancel Section 312 loans approved by the Public Body, in accordance with the requirements and regulations of the Secretary in effect from time to time. Upon receipt of such notice of cancellation, the Public Body shall promptly submit to the Secretary any documentation requested by him, and shall promptly refund the amount of the loan to the Secretary.

Section 12. Rights under Other Contracts

The rights of the parties under this Agreement shall be in addition to, and not in derogation of, the rights of the parties under any contract for Federal assistance with respect to any of the Projects or Programs described in Section 1 hereof under the jurisdiction of the Public Body.

Action Deferred—ON PROPOSED ORDINANCE FOR AMENDMENT OF MUNICIPAL CODE FOR CREATION OF NEW SECTIONS RELATING TO PRACTICES OF INSURANCE COMPANIES.

The Committee on Finance submitted the following report, which was, on motion of Alderman Marzullo and Alderman Frost, *Deferred* and ordered published:

CHICAGO, March 27, 1979.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration a proposed ordinance amending the Municipal Code of Chicago by creating new Sections 26-26 to 26-33 relating to the practices of

insurance companies having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,
(Signed) WILSON FROST,
Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Whereas, The citizens of the City of Chicago are entitled to purchase and renew insurance policies covering property, or property and liability, or liability other than that arising from property claims, regardless of the age or location of the property to be insured; and

Whereas, No Insurance Company or its representative should be permitted to vary the terms, application procedures, cancellation, or renewal of such policies because of the race, color, religion, national origin, sex, age, or marital status of the applicant, or of the shareholders of applicant, if applicant is a corporation, or of the partners of applicant, if applicant is a partnership, or of the occupants of the property deemed third party beneficiaries; and

Whereas, Any Insurance Company or its representative indicating interest in placing or renewing insurance coverage with the City should submit an agreement indicating its intent not to make such arbitrary variances referred to above; and

Whereas, The Company or its representative should be required to submit to the City a statement of disclosure of its policy-writing practices, including pertinent information on policies in force within the boundaries of the City of Chicago by postal zip code and/or census tract and within the balance of the State of Illinois; and

Whereas, An Insurance Stock Company, Mutual Company, or Association of Individual Underwriters found to have been in violation of the provisions of Chapter 73, paragraph 755.21a and 767.22 of the Illinois Revised Statutes, or comparable Federal law, may not be considered acceptable in placing or renewing insurance coverage with the City; and

Whereas, The City may consider the comparative extent of interested Company's(s) involvement in writing residential and small business insurance within the City of Chicago, particularly within disadvantaged areas, the degree of increase or decrease in the writing of such insurance from year to year and the ratio of business written within the City to that written elsewhere in the State; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. That Chapter 26 of the Municipal Code of Chicago is hereby amended by the addition thereto in the proper numerical sequence of certain new Sections to be known as Sections 26-26 through 26-33, respectively, to be headed "Insurance Contracts", and to read as follows:

INSURANCE CONTRACTS.

Section 26-26. Definitions. For the purposes of this chapter, "Insurance" "or insurance policies" shall include those classes of insurance listed in Section 616 of Chapter 73 of the Illinois Revised Statutes as now in effect or hereafter amended under "class 2. Casualty, Fidelity and Surety" and under "class 3. Fire and Marine, etc."

Section 26-27. The Purchasing Agent or Comptroller, whichever is applicable, shall review the latest rating of each insurance company bidding for or offering to place insurance on the City of Chicago as published by A. M. Best Company of Oldwick, N.J., or its successors in the publication of such ratings, and shall reject any bid or offer from an insurer not receiving a policyholder rating of "A" or "A+" (Excellent) from that organization, or receiving a financial rating less that which would not, in the judgment of the Purchasing Agent or Comptroller, whichever is applicable, provide to the City of Chicago adequate assurance of solvency.

Section 26-28. (a) With each such bid or proposal for insurance covering property or property and liability, the prospective carrier shall submit to the Purchasing Agent or Comptroller, whichever is applicable, an agreement signed by either the Chairman of the Board, Chief Executive Officer, President, any Vice-President or an officer acceptable to the City, the following statement:

"We agree not to reject, cancel or refuse to renew insurance policies as set out in Section 26-26 of Chapter 26 of the Municipal Code of Chicago for any properties within Chicago or within a specific geographic area in Chicago because of the location or age of said properties. We also agree not to reject, cancel or refuse to renew an insurance policy or to vary the amount or type of coverage or the terms and conditions of such policies because of race, color, religion, national origin, age, sex or marital status of the applicant or of the shareholders of applicant if applicant is a corporation, or of the partners of applicant if applicant is a partnership, or of the occupant of the property. Applicants of the aforesaid policies shall be deemed third party beneficiaries of this agreement."

(b) With each such bid proposal for insurance covering liability other than that arising from property claims, the prospective carrier shall submit to the Purchasing Agent or Comptroller, whichever is applicable, an agreement signed by either the Chairman of the Board, Chief of Executive Officer, President, any Vice-President, or an officer acceptable to the City, the following statement:

"We agree not to vary the terms, application procedures, cancellation or renewal of such policies because of the race, color, religion, national origin, age, sex or marital status of the applicant is a corporation or of the partners of applicant if applicant is a partnership, or of the occupant of the property. Applicants for the aforesaid policies shall be deemed third party beneficiaries of this agreement."

Section 26-29. The Purchasing Agent with the concurrence of the Comptroller shall require the bidding company to submit a statement of disclosure of its policy writing practices signed by an officer of said company. Such statement shall include the following information:

(a) the number of policies incurring the interests of owners of residential property covered by Section 26-26 in force; cancelled and nonrenewed on residences within the boundaries of the City of Chicago, and within the rest of the State of Illinois;

(b) the number of policies insuring the interests of tenants or renters of residential properties as covered by Section 26-26 in force, cancelled and nonrenewed on apartment dwellings within the boundaries of the City of Chicago and within the rest of the State of Illinois;

(c) the number of fire insurance policies as defined in Section 26-26 on single or multi-family residential properties in force, cancelled and nonrenewed within the boundaries of the City of Chicago and within the rest of the State of Illinois;

(d) the number of fire insurance policies as defined in Section 26-26 on commercial buildings, churches, or other buildings occupied for non-residential purposes, or on their contents in force, cancelled and nonrenewed, within the boundaries of the City of Chicago and within the rest of the State of Illinois;

(e) the number of automobile insurance policies as defined in Section 26-26 issued, cancelled and nonrenewed covering residents within the City of Chicago, and those issued, cancelled and nonrenewed covering residents of the State of Illinois, other than Chicago.

Such data shall contain a breakdown by zip code area, as to those statistics relating to the City of Chicago. Zip code breakdowns need not be provided for insurance written elsewhere in the State of Illinois.

Section 26-30. The Purchasing Agent with the concurrence of the City Comptroller may consider as not acceptable any bid or offer from an insurance stock company, mutual company or association of individual underwriters found during the two years immediately prior to the submission of the bid to have been in violation of the provisions of Chapter 73, paragraphs 755.21(a) and 767.22 of the Illinois Revised Statutes.

Section 26-31. In making such determination, as to which companies shall be awarded City business, the Purchasing Agent and the Comptroller shall consider the ratio of city to state insurance issued by such company, and shall also consider the relationship which the practice of such company in issuing insurance policies, as disclosed by the listing to be submitted under Section 26-29, bears to the undertakings set out in the Agreements in Section 26-28 hereof.

Section 26-32. If the Purchasing Agent or the Comptroller determine at any time that an insurance company insuring the City of Chicago is found to be in violation of the provisions of Chapter 73, paragraphs 755.21(a) or 767.22 of the Illinois Revised Statutes, or determines that the practices of said company in writing insurance are in violation of the agreement set out in Section 26-28 hereunder, the Purchasing Agent or the Comptroller may arrange for substitution of insurance from another qualified insurer, and upon completion of such arrangements may immediately cancel any and all insurance contracts held by the City with the offending insurer.

Section 26-33. (a) If the City of Chicago is required by the terms of any Bond Indenture, Federal or State Regulations, to have any of its facilities or personnel insured, the Comptroller shall waive application of these Sections in order to provide the required insurance coverage, provided that a written statement be placed in the official file stating the Sections waived and the reason for granting the waiver.

(b) If the Purchasing Agent concurs with the Comptroller that the provisions of this ordinance are not applicable, they may waive the aforementioned requirements, provided however, that a written statement be placed in the official file stating the reasons for granting such waiver and a copy of such written statement be transmitted to the City Council.

Section 2. This ordinance shall be in full force and effect from and after its passage and publication.
